

FAITH WORKS

OUTDOOR SERVICES, LLC

LAND CLEARING | FORESTRY MULCHING | SITE WORK

Professional outdoor property services for residential and commercial projects

WHAT WE DO

- **Land Clearing**
Tree, brush and vegetation removal for lots, acreage and project sites.
- **Forestry Mulching**
Efficient vegetation reduction and property reclamation with mulch left onsite.
- **Fence Line & Overgrowth Clearing**
Open up property lines, access lanes and heavily overgrown areas.
- **Pond & Ditch Clearing**
Vegetation clearing, clean-outs and access improvement around ponds and drainage areas.
- **Grading & Site Cleanup**
Rough grading, smoothing, debris cleanup and site preparation.
- **Stump & Hedge Removal**
Removal of unwanted stumps, hedges and root systems.
- **Small Building Demolition**
Selective and small-structure demolition with cleanup and debris handling.
- **Debris Cleanup & Hauling**
Job-site cleanup, material handling and hauling coordination.
